AUTHORIZED DISTRIBUTOR

Do you have problems with cutting tubing properly?

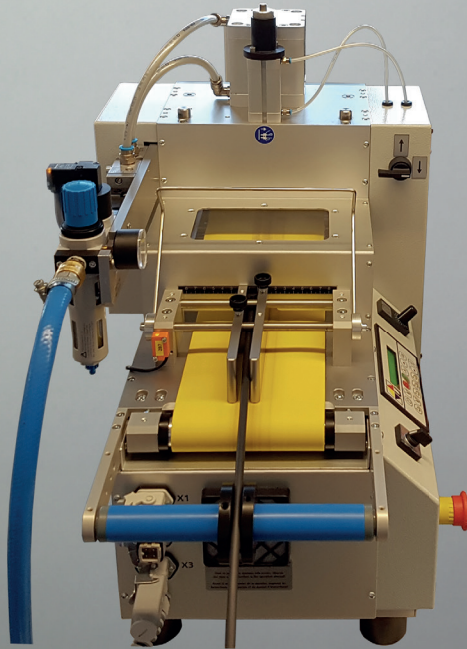

Our specialists at TTI can help solve this issue. We provide tubing lengths that are tailored to your specific requirements, which results in ease of use and quick installation.

TE Connectivity and TE connectivity (logo) are trademarks.

ttiasia.com

A cut above the rest

By using TTI's heat shrink tubing services, you avoid the risks associated with cutting your own tubing, such as splitting due to a poor quality cut, storage of excess inventory and time spent on cutting inaccurate lengths.

What we offer you:

TTI provides customised lengths and quality cut pieces of TE Connectivity's heat shrink tubing, saving you:

- Time
- Storage
- Excess inventory

For more information on what TTI Asia has to offer, visit ttiasia.com or contact us at FeedbackTTIAsia@ttiinc.com or +86 400-844-4868
