The recommended replacement parts are provided in the table above with the corresponding obsolete part. The electrical specifications of the replacement part numbers are identical to the obsolete parts, but lead formations and packaging may vary. Please refer to the Bourns data sheet or contact a Bourns Application Engineer for more information.

Customers may continue to place orders for the obsolete part numbers during the End of Product Life transition period through October 30, 2026. Orders placed during this period will be considered non-cancellable and non-returnable and will be covered under Bourns standard warranty terms.

Samples are available upon request. Bourns recommends that customers test the replacement part numbers in their specific applications for verification of satisfactory performance.

Please plan for the following dates:

Last Time Buy Date: ***October 30, 2026***

Last Time Ship Date: ***December 18, 2026***

If you have any questions or need additional information, please feel free to [contact Customer Service/Inside Sales](#).
