Product Change Notification for Littelfuse (ITV4030 series cover material change)

To whom it may concern,

Littelfuse would like to notify you of a change related to change of material of the cover for ITV4030 series. To comply with future EU POPs Regulation and REACH Regulation requirements, the cover will be changed to a PFAS-free material. This will ensure product compliance in global markets. The appearance is shown in the appendix. There is no other impact to the form, fit, function of the product.

The change would be made from October 1, 2026. During the transition period, customers are expected to receive current and new products until current inventory in Littelfuse warehouses and distribution channels are depleted.

Full qualification reports and samples will be available on request.

Please see attached the affected part number list. If you have any additional questions or concerns, please contact me or your Regional Sales Manager. Otherwise, this notice is taken to be acknowledged after 30 days of receipt.

Best Regards,

Adriel Gwee
Sr. Associate Product Manager
