

Issue Date: July 30th, 2026

Dear valued customer,

This PCN is to inform you of a change of our manufacturing location and country of origin for our Snap DS series.

Description of change

Production of the Snap DS Interlock series in China will end effective 7/31/2026, the production line will transfer to Morocco. The transfer process will take place during the months of August & September, then undergo internal manufacturing process evaluation, qualification and certification, which will allow production shipments to resume in December of 2026.

Impact of Change

No change to the form, fit and function of the switch series

Part numbers affected

See table below

Date of application

PPAP samples are available for testing in October 2026. Production orders with Morocco origins will be start shipping in December of 2026. Product will maintain all current standard regulations

Customer qualification

C&K recommends its customers to perform any testing qualifications they feel are necessary for product acceptance.

If you have any questions, please feel free to contact your Littelfuse customer service or inside sales representative for assistance. We appreciate your business and continued partnership.

Best Regards,

Christopher Coolman
