Before Picture

## Overview

- **This PCN is intended to revise the description in the previously released PCN 517914.**
  - Purpose: Retract the packaging upgrade in PCN 517914
    - 2) Packaging upgrade
  - Reason: Because of strategy adjustment, retract the packaging upgrade, this means that SPQ does not change. Only retain the resin change in PCN 517914.
- **If there is a packaging change in the future, Molex will issue another Product Change Notification (PCN) at a later time.**
- **Part Number Impact**
  - see attached impact parts list
- **No Qualification reports, PPAP, or samples will be available for this change due to the retraction.**

After Picture

**Overview**

- In the frame of continuous improvement and to assure all our customers are well and promptly served, Molex is putting in place all needed efforts and investments to enhance production quality to customer's expectations.
- This will imply CMC 3248w wire caps following changes to ensure business continuity.
  - Resin change
  - Packaging upgrade
- Impacted Part Number: see attached parts list
- Samples will be available from 12 May 2026 upon request.
- PPAP will be available from 15-June-2026 upon request.
  - If PPAP requested, disposition response required within 30 days of submit date or it will be considered approved.
  - If no PPAP requested by 15-June-2026, the PPAP will be considered as approved.
- Change will be implemented as soon as all required validation completed & all needed approvals obtained.
