Product Change Notification (PCN)

AQY210LS* PhotoMOS® Relays Single Site Manufacturing Consolidation

We would like to inform you of a change of manufacturing site. We kindly ask you to inform your customers.

Date: May, 2026
No.: T-2605-AS-01

Serie affected:	AQY210LS*
Part no. affected:	AQY210LS, AQY210LSX, AQY210LSZ Part number, specification and price remain unchanged.
Reason for change:	Change of manufacturing site from Ise Factory (Japan) to Khon Kaen Factory (Thailand) to improve production efficiency.
Recommended replacement:	Not needed, no technical changes of the relays.
Change of production lot number display:	Products produced at the Khon Kaen factory display "Q" at the end of the lot number. (It is displayed on the product stamp and the label of the outer carton)
Change Schedule:	For shipments from June 2026 onwards
Contact:	Panasonic Industry Europe GmbH Electromechanical Control Business Division photomos@eu.panasonic.com
