Purpose/objective of the change

Discontinuation of several products

Detailed description of the change

Due to a portfolio adjustment, Phoenix Contact has decided to discontinue several products from our product range. This decision was made after careful consideration and analysis in order to continue offering the best and most innovative solutions. This affects the product categories of hand tools, connectors and accessories. All other successor items can be found in the attached material list. If you have any further questions, please contact our sales team.
