## Product Change Notification

1. ECR #: 26-46969-1  
Notification #: 825

2. Date of Announcement: April 28, 2026

### 3. Series:

- YFS - .050 (1.27) Multi-Row Socket Assembly

### 4. Part #'s Affected

- ASP-189983-XX

### 5. Description of Change:

This design update is backwards compatible and extends contact wipe by .024" for all applications adhering to the standards prescribed for 12 mm stack height.

### 6. Method of Identifying Change

Visual - Overall height of Revision B connector is taller than Revision A connector. See graphic images.

Iso View: New Product (Left), compared to Existing Product (Right)

Endview: New Product (Left), compared to Existing Product (Right)

Mated Section: New Product (Left) compared to Existing Product (Right)

### 7. Reason for Change:

Increased contact wipe improves reliability for the 12mm stack height.

### 8. Impact of Change on Form, Fit, or Function:

- Form - Height change of Revision B connector is visually apparent when compared to the previous revision.
- Fit - Height of Revision B connector is increased .024" over the previous revision.

9. Projected Implementation Date: April 28, 2026

**Disclaimer**

Please review the change notification details listed above for specific information regarding the nature and timing of the change. While Samtec has taken precautions to ensure this change is not detrimental to your application, each application can be unique and therefore customers should consider the effect of the change on their specific application.

Samtec has taken efforts to ensure that all users of this product who have requested change notifications have been informed. However, you should assume that this is the only notification that will be sent and you, as the recipient, must determine how to communicate this information to your organization(s) and customer(s) as appropriate. If you wish to opt out of receiving Samtec Product Change Notification emails, please contact [CustomerECN@samtec.com](mailto:CustomerECN@samtec.com). Due to technical progress, specifications are subject to change without notification and it is recommended to provide an alternative contact when opting out.

Please contact Samtec at [CustomerECN@samtec.com](mailto:CustomerECN@samtec.com) for any questions related to this change.
