Subject: Important Update: TT Electronics Plano Facility Closure

Dear TTI Inc,

We are writing to inform you that TT Electronics has made the strategic decision to cease operations at our Plano, Texas facility. This decision was not made lightly and comes after a thorough evaluation of our long-term operational strategy.

The site is expected to close by the end of October 2025. As part of this transition, we will no longer be accepting new orders through the Plano facility. However, we want to reassure you that we are fully committed to fulfilling your existing orders. In some cases, we may request your support to approve early shipments to ensure timely delivery.

Effective immediately, all open quotations issued through the Plano facility are considered void.

You can expect to hear from us shortly with specific updates related to your orders. We greatly appreciate your continued partnership and understanding during this time of change.

Sincerely,

Brian Stephenson
