Description of Change: Vishay Siliconix now is in the site-transfer process of wafer fabrication, due to the termination of 6-inch foundry site in Israel of Tower Semiconductor, on commercial TrenchFET® Power MOSFET products to Vishay Siliconix Itzehoe GmbH (VSIG), Vishay in-house 8" foundry site in Itzehoe, Germany.

VSIG belongs to business divisions of Vishay Siliconix and produces power MOSFET products, required in consumer, computing, moubile phones, industrial, telecom, automotive, artificial Intelligence, and may other applications in industry electronics. VSIG has been certificated with ISO14001, ISO50001, OHSAS18001, and IATF16949.

Reason for Change: There will be no effect on the form factor, quality, reliability, performance, and the minimum/maximum values in the datasheet.

Expected Influence on Quality/Reliability/Performance: Termination of 6-inch foundry in Israel of Tower Semiconductor

Part Numbers/Series/Families Affected: Please see materials list on the succeeding page.
Affected customers will be informed directly with a detailed part list.

Vishay Brand(S): Vishay Siliconix

Time Schedule:
Start Shipment Date: Tuesday December 8, 2026

Sample Availability: Please contact your regional Vishay Sales office for the Qual Vehicle Part, Si4948BEY-T1-GE3.

Product Identification: Products containing Vishay die will be identified by “C” as the fab code of the part-marking code.

Qualification Data: Available upon the completion of transfer qualification testing

This PCN is considered approved, without further notification, unless we receive specific customer concerns before Monday December 7, 2026 or as specified by contract.
