Current Date: 04-Aug-2026

## TE Connectivity

**Product Change Notification:** PCN-26-287151

**PCN Date:** 31-JUL-26

**Customer:** TTI Electronics Asia Pte Ltd. ( 2771300 )

**Location:** Singapore

**Agreement:** Agreement Unknown

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

**Product Description:** (Text limited to 120 characters)

Positive Lock Terminals

### General Description of Changes

Retaining the existing reel and packaging quantity, with a change to the fixing method

|                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                |
| <b>Current Packaging</b><br><b>Current</b><br><br><ol style="list-style-type: none"><li>1. Reel without reel core hole</li><li>2. ### Reason for Changes:

TE Internal Reel Optimization to Improve Productivity

### PCN Attributes:

#### Product Category:

Terminals

#### Kind of Change:

Packaging Type

#### Change Feature:

Reel

#### Potential Customer Impact:

No Customer Impact

#### Remarks:

### Estimated Dates:

**Last Order Date** (Obsolete Parts Only):

**First Ship Date of Changed Items** (Changed Parts Only):

06-NOV-2027

**Last Ship Date of Changed Items** (Obsolete Parts Only):

**Last Date for Mixed Shipments:** (Changed Parts Only):

No Mixed Shipments

**Effectivity Date:**

**Date of First Samples:**
