TE Connectivity

Product Change Notification: PCN-26-279441

PCN Date: 13-MAY-26

Customer: TTI Inc (168830)

Location: Fort Worth

Agreement: Agreement Unknown

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

Product Description: (Text limited to 120 characters)

2.54 CL locking clip receptacle contacts

General Description of Changes

1. The plating process of the following part numbers will be transferred from the current supplier in US to Inhouse manufacturing (TE connectivity, Mexico). 2. NO change in Form, Fit and function of the product. 3. An internal release based on TE Connectivity specifications will be executed before any parts will be delivered, which guarantees the performance.

Reason for Changes:

As part of continuous improvement efforts, the manufacturing location for plating process has been changed to enhance production capabilities with advance technology and optimize the value stream for the impacted part numbers.
